

Why DogDash Chose Tiny Tails k-9 Rescue!

Tiny Tails is a 501(c)3 Non-Profit volunteer rescue center that is based in Manhattan, MT. They do not have a facility as they all work 9-5 jobs and shelter from their homes. rescues usually come to us needing special care and we find that providing that care in a home, rather than a kennel works best for our rescues. Tiny Tails has worked hard to become a shelter that can rescue and facilitate dogs deemed unadoptable due to the many laws and rules in place. These dogs are the pregnant and bottle-fed babies that still need a lot of medical attention before they can become adoptable. For this reason,

Tiny Tails' needs the most help with medical bills these are extremely high.

They also work extremely hard to bring awareness and change to the laws that keep dogs from getting rescued and provided the care that they need, ie. Montana being the only state where it is not illegal to be a spectator at a dog fight. Working together I think that we can shine a light on some of these issues and help a local shelter at the same time!
